"NCI calls on the FCC to delete Element 1--the 5
WPM Morse code exam--"totally" from the Amateur Service rules and grant "Tech
Plus" privileges to current Technicians. It also wants the FCC to act on the
matter as soon as possible, preferably in a separate rule making and without
further ado." I agree with this statement from the ARRL & NCI. I have tried
numberous times to learn Morse Code without success. It's a matter of time and
the need. I don't think it is needed in today's computer world. I am a very
conscience Ham Radio operator and would like to explore the world of HF. thank
you, Russell Greve, KB5VHG
